*8	12:00 PM	Pool 1st Indian Trail <b>12</b>	vs Pool 2nd Myers Park <b>7</b>	3

\* Championship Game

**Tie Breakers for Standings:**

2 Team Tie: head to head results

3 Team Tie: Fewest runs allowed against teams involved in the tie wins; 2nd place determined by head to head results between two teams remaining. If two teams tie for fewest runs allowed, then third team is out and winner is determined by head to head results between the two teams with fewest runs allowed.

If a 3 team ties remains based upon fewest rules allowed, then it goes to Run Differential ( runs scored minus runs allowed against teams involved in the tie). Note: maximum Run Differential of 10 per game. Team with highest Run Differential wins; 2nd place determined by head to head results between two teams remaining. If two teams tie with highest Run Differential, then third team is out and winner is determined by head to head results between two teams with highest Run Differential.

If a 3 team tie remains after run differential, then match coins with the odd coin the winner; 2nd place determined by head to head results between the two teams remaining.
