2 Team Tie: head to head results

3 Team Tie: Fewest runs allowed wins; 2nd place determined by head to head results, if available, or by second fewest runs allowed. If two teams tie for fewest runs allowed, both are in the championship game.

If a 3 team ties remains based upon fewest runs allowed, then it goes to Run Differential ( runs scored minus runs allowed ). Note: maximum Run Differential of 10 per game. Team with highest Run Differential wins; 2nd place determined by head to head results between two teams remaining, if available, or by second highest Run Differential. If two teams tie with highest Run Differential, then both teams are in.

If a 3 team tie remains after run differential, then match coins with the odd coin the winner; 2nd place determined by head to head results between the two teams remaining, if available, or flip coin again.
